FOREWORD

During the past year, student aspirations and ideals were fulfilled in scholarship, extra-curricular activities and athletics.

In the classrooms, satisfaction was gained by honor roll achievement, rewarding test grades, student participation in discussion and improved oral work.

Clubs and contests provided endless opportunities for recognition, awards, pleasure, knowledge, acquaintances and specialization. Organizations also offered a chance to develop individual talents, work with interests and gain valuable experience.

Successful victories and didactic defeats with rival opponents proved athletics a worthy system. Team and individual skills improved as co-operation progressed with new friendships. This well planned athletic program sufficiently met the interests of the large number of participants.

VOCATIONAL TRAINING

Gainful Knowledge Absorbed For Future Application

Offering courses of study in the department of Manual Arts is the Vocational Department of Latrobe High School.

These courses give experience and education in all types of manual arts for those who desire to pursue a vocation in the field of manual labor after their graduation from high school. They also form a background for such careers as electrical engineering, mechanics, carpentry or the like.

Wood shop instructors teach the skills of carpentry. Machine shops render practical experience to those interested in the field of mechanics. The shops provide a sound background for a career in mechanical engineering. Gainful knowledge needed for a career in electrical engineering is learned in electric shops. Any one of the aforementioned three courses may be elected by junior boys in the Trade course. In the senior year, an advanced course is studied.

In addition to these subjects, the Vocational Department instructs the boys in drafting and mechanical drawing.

Each year entries from wood shop, machine shop, electric shop and drafting are sent to the annual Ford Motors Industrial competition.

Locally, the Lions sponsor a contest open to all trade aspirants. Cash prizes and medals are awarded in each division.

JUNIORS

Future Leaders Gain Knowledge From Experiences

● DONNA BRADEN and Sylvia Spinelli remind Susie Sickenberger of the Junior Class Play, "Girl Crazy."

Juniors, at the end of the second semester, looked back at their years as underclassmen and prepared, as seniors, to become the leaders of the school.

Under the sponsorship of Mr. Harold Bitner, Junior Class advisor, the following officers were elected to guide the class of 1959; Kevin Hughes, president; Edward Gross, vice-president; Ellen Guter, secretary; John Kells, treasurer; and Patricia McCallen, Student Council representative.

The Junior Class was well represented in all phases of academic work. Many eleventh graders were outstanding in the field of athletics. In the music department, juniors took an active part in the band, orchestra and choruses, which qualified several members for District and County Chorus, as well as County Band and Orchestra.

Dramatic minded juniors appeared in the Junior Class play, All Class play and numerous assemblies throughout the year.

FRESHMEN

Social, Scholastic Events Occupy Time Of Yearlings

● "PRACTICE MAKES perfect." Freshman cheerleaders Frances Regula, Lynn Skatell, Jane Johnson, Kay Brant and Faith Nicely employ a modern application of an ancient proverb.

Fond memories of a high school year are retained by the class of 1961, as their freshman year draws to a close.

Chosen to lead the ninth graders through their initial year was David Tranquilla. Ann Mailey filled the office of vice-president, while Karen McCallen and Carol Smith filled the offices of class secretary and treasurer, respectively. Winifred Noel represented the Freshman Class at Student Council meetings. Mr. Harry Graham aided the yearlings innumerably as faculty advisor.

Freshman actively participated in all phases of high school extra-curricular activities. Several members of the group qualified for parts in the All Class play, "Tom Sawyer." Many committees for the play were also staffed by cooperative freshman.

In the field of sports, freshman athletes foretold great promise as they consistently performed well on the gridiron, the hardwood court and wrestling mats.

Conscientious Journalists Report Significant Events Around School

● HIGH POST Editor Judy Huffman and Latrobean Editor Suzanne Pohland discuss various point sizes of headlines for their respective layouts.

After spending hours writing a headline which is read in six seconds, a student realizes the work and thrills of Journalism.

Every day during the eighth period, the 26 members of the Journalism II staff meet in Room 118 under the guidance of Mr. William Couchenour, Journalism instructor. Here they write up the latest in high school news published in The High Post or The Latrobe Bulletin.

Between editions of The High Post and articles for the Bulletin, Latrobean write-ups and photographs must be prepared and completed according to a rigid schedule.

Strict rules of style are followed in the composition of newspaper articles. Future journalists must be coached in the do's and don'ts of news writing, their application and the effectiveness of lead paragraphs.

For this purpose, a Journalism I class, taught by Mr. Couchenour, is required for aspirants in the publications field. During this seventh period class, the sophomores are exposed to the qualifications that make a good journalist.

The goal of all journalism students is to obtain membership in the Quill and Scroll. Requirements for this society include the publishing of 300 column inches, composed of news and feature stories. The applicant must also rank scholastically in the upper third of his class. Present members include Beverly Ronco and Suzanne Pohland.

● SPORTS WRITERS Mark Lenz, John Doherty, Bernie Novak, John Fry and Ray Blair plan with Editor Bob Lightcap for stories in the next issue.

● KAY SUE Kuhn, advertising manager, relates campaign and billing schedule to associates Patty Aikens, Rose Kasko, Mary Ann Milo and Rosalie Tuskan.

- SUZANNE PATAK, business manager, approves instructions given to typists Beverly Stump and Helen Eskut by her assistant, Virginia Kabala.

- COPYREADING STORIES is Feature Editor Beverly Ronco, while Mary Lou Pershing, Cathy Biller, Kathy Mickinak and Kathy Rodkey glance at The High Post.

- BY LEAFING through bound issues from previous years, newswriters Joan Suda, Carol Bronson, Ann Johns and Sylvia Spinelli learn techniques to strive for improvement.

Each chorus spent its time practicing for the annual Spring Concert held March 21. In addition, Girls Chorus II sang at Baccalaureate and during the Christmas season provided the carolling throughout the halls.

District Chorus convened at Washington, Pennsylvania. Three seniors, Nancy Morley, Joseph Del Sordo and Ralph Keim, represented Latrobe at this festival.

Eight members of Girls' and Boys' Chorus II qualified to take part in County Chorus. The group met at North Huntingdon High School in January. Participants included Joseph Del Sordo, Ralph Keim, Thomas McCune, Becky Robinson, Gene Augustine, Sue Robbins, Giles Campbell and Leon Klingensmith.

In addition to the four major choral units sponsored by the music department, quartets and sextets organized. These groups contain only a few members and afford the opportunity for close harmony. They sang at social and community affairs.

For students planning a musical career, music theory classes were held to give the student an opportunity to advance his vocal interests.

J. C. L. Officers Accept Many Students Into Organization

Junior Classical Leaguers at Latrobe High School can gaze back upon their exciting and eventful curricula during the 1957-1958 term.

Inaugurating the functions of the club was the installation of 174 members and alumni in November. Presiding at the initiation were the J.C.L. oficers. Consul was Charles DiPrimio. Assisting pro-consuls, Linda VanKirk and Carol Kaltenbaugh, helped with official duties. The positions of quaestor and censor were filled by Rosemary Lechman and Geraldine Mattioli, respectively. Representing the group at Student Council meetings was explorator Carl Frederick. Terrill Freeman provided musical accompaniment. Bonnie Beatty and Winifred Schmucker were editors of the "Torch," J.C.L. newspaper.

Many J.C.L.'ers, with their sponsor, Miss Adeline Reeping, were invited to the Hempfield High School initiation and the annual Latin Banquet sponsored by Greensburg High School.

● INITIATING ANDREW DelSordo and Priscilla Hall into the J.C.L. are officers Linda Van Kirk, Rosemary Lechman, Charles DiPrimio, Geraldine Mattioli and Carol Ann Kaltenbaugh.

Latineers Display Varied Projects During Amicitia Week

During the Latin Festival, held in the latter part of February, students are required to make various projects based on a Latin or classical background. On May 9, a representation of members and alumni attended the annual State Latin Convention at Susquehannock High School, situated at Glen Rock, Pennsylvania. Several students were selected to take Latin Achievement tests, while others were nominated for state offices. Delegates to the convention representing Latrobe High School were Rosemary Lechman and Charles DiPrimio.

This summer the officers and several members, accompanied by their advisors, will journey to the National Junior Classical League Convention. Proposed for August 17 to 20, the meeting will be situated at Ann Arbor, Michigan. In recent years, National Conventions have been held in Texas, Iowa, Ohio and Denver, Colorado.

Through these various trips, meetings, projects and tests sponsored by the Junior Classical, Latin students appreciate the ancient civilization of Greece and Rome with its literature, languages, arts, government and laws in relation to our life in a representative democracy.

Working Organizations Contribute To School Betterment

STUDENT SERVICE—Directing visitors in the school and helping students in the halls are the primary functions of the Student Service members.

James Smith was elected president of this organization, Richard Harkness, vice-president; Marilyn Brown, secretary; Judy Johnson, treasurer, and Roger Harvey, Student Council representative.

Approximately 72 students spent at least five periods a week attending to their duties which included recording the name and number of open lockers, guiding visitors, turning lights off and on after the changing of classes.

The students served at strategic points on all three floors, in the health and music rooms, and at the Lost and Found. Meetings were held on the fourth Monday of every month during the homeroom period. Mr. James Beatty was in charge of this service organization.

POSTER CLUB — Promoting school spirit through the use of posters was the objective of the many students comprising the Poster Club.

Near the beginning of the school term Geraldine Mattioli was elected president of the group, Mary Lou Pershing was vice-president, Carol Bucciarelli served as secretary and Pam Hewitt was Student Council representative.

Each Monday the club met to discuss poster needs. Posters throughout the halls of the school advertized the publications campaign,

football and basketball games and wrestling matches. These displays promoted interest in plays, dances, the Spring Concert, tennis games and other school events.

Mr. Earl Karasak, Industrial Arts instructor, is in charge of this service organization.

HIGH POST REPRESENTATIVES—Students from each homeroom elected an officer to carry out the duty of distributing High Posts in their individual home rooms.

On the Friday of Publication, these 36 representatives reported to Room 118, counted their papers and received information concerning additional instructions for the week.

Most of the work was done during the first few months of the school year when the subscription campaign began. At this time the representatives collected subscription returns.

In addition, the reporters helped promote the sale of yearbooks.

High Post representatives are under the supervision of Mr. William R. Couchenour, Journalism advisor.

FIRE PATROL—Organized for student safety during fire drills and emergencies, the Fire Patrol with twelve members performed capably.

Ronald Green and John Kalokerinos served as student leaders. Various duties of the organization were to supervise fire drills efficiently and correctly, remove all unauthorized persons from the building during drills and to fight fires.

While a fire drill is progressing, patrol members inspect the building and check it for the assurance that windows and doors have been closed and that lights are turned out. In the event of an actual fire, the boys would assist the Latrobe Volunteer Fire Department.

Under the tutelage of Mr. Robert Cook, the service group is in its tenth year of formal organization.

LIBRARIANS—Books, friends of almost everyone, aid students in their studies and supply hours of pleasure to readers.

Latrobe High's library was maintained by 22 girls who served the students by locating books and information. Miss Carol Jenkins, head librarian, supervised the activity of the four

These girls took care of the library permits, checked books in and out, typed library cards, and helped in processiong new shipments for the book shelves.

Each librarian spent at least five periods a week working in the library.

SAFETY PATROL—Seventeen boys compose the Safety Patrol, whose main duty is to protect students, going and coming to and from school.

In 1936, the Safety Patrol organized, and has been directed by Mr. Frederick Halsall since 1940.

Under the leadership of Captain Thomas Troy and Lieutenant Ronald Green, the boys render their services each day at busy intersections on Ligonier and Jefferson Streets. In addition, the patrol boys also direct parking at football games.

Principal requirements of the members, representing all four classes, are promptness and dependability.

Rewarded for efforts and services volunteered, each boy is given a free monthly movie pass by the American Legion.

Members are chosen in May and are under the supervision of Mr. James Beatty.

FUTURE TEACHERS OF AMERICA—Comprising the membership of the Future Teachers of America are juniors and seniors interested in gaining a more practical knowledge of the teaching profession.

Leading the aproximately forty members was senior Ted Smith, assisted by Suzanne Pohland, vice-president. Elaine Schirf acted as secretary; Sylvia Spinelli, treasurer; Patricia Aikens, historian; Carol Benford, librarian; Philip Pristas, parliamentarian; Barry Lynch, song leader, and Patsy Zundel, Student Council representative.

PROJECTIONISTS—Newest of the service organizations at Latrobe High is the Projectionist Club.

Organized in February of 1956, this year the club consisted of seven sophomores and one freshman under the supervision of Mr. Harry Graham.

These boys showed films for any teacher that requested their service. Their work included seeing that the projector and screen were in the assigned room on time, then operate and disassemble it. A meeting of the Projectionists held at the beginning of the school year instructed each member in the complete operation and care of the machines.

The members work for several out of school organizations.

With the purpose to teach them the basic fundamentals of broadcasting, students study techniques involved in news coverage and its delivery to the public. Recording their voices on a tape recorder aided them with their speaking. Miss Mary Louise McBride also taught them hand signals used in this phase of public broadcasting.

They participated in the annual Christmas play, "Reindeer on the Roof," which was presented to the public over radio station WTRA. During the year they had the opportunity to announce on a BCC production.

Directing the junior and senior members on the main floor of the auditorium was Charlotte Carnot, while Catherine Dunlap served as head usher in the balcony. When divided into sections, these head ushers preside over the groups.

Twenty-six volunteers, under the guidance of Miss Catherine Netzlof, began their services witth the preceeding year's Commencement exercises.

These girls are on duty at all school-sponsored presentations, such as plays, football games, spring concerts and other events. Besides these affairs they offer their services at public debating contests and Little Theater presentations.

MODERN LANGUAGE CLUB — As the school year closes, members of the Modern Language Club remember it as being both educational and entertaining.

Near the beginning of the second semester, officers were elected. These include Robert Lightcap, president; Carl Trauger, vice-president; Ellen Guter, secretary-treasurer, and Kathleen Mickinak, Student Council representative.

The local Modern Language Club was established in 1947. Miss Evelyn Baxter, present advisor of the group, was instrumental in its organization. It exists so that students of foreign languages can get together and exchange ideas in regard to the respective cultures they have been studying. Secondly, this club provides an outlet for the members to enjoy themselves after working hard and long hours to master the languages.

The picnic, an annual summer event to which all members are invited, is held after the Moving-up Day activities have been completed. The affair is held at the Ligonier Valley Beach. A Mardi Gras is also held every year. This dance is patterned after the original New Orleans, Louisiana, motif.

Officers elected at the beginning of the school term included: Jean Laurenzi, president; Sheila Palmer, vice-president; Patricia Bell, secretary; Sandra Harr, treasurer and Jacquelyn Dunlap, Student Council representative. Miss Adeline Reeping advises the group in its activities.

From 9:45 to 11:30 on Saturday morning groups of girls read and play games with the children. But their work continues all year round for they send cards of cheer to ailing children throughout the surrounding area.

The Readers' Club also provides experience for girls interested in nursing as a future career.

Three Major Productions Afford Ample Development Of Talents

To encourage dramatic talents and co-operation, students participated in three major productions during the school year.

Set in a period of "once upon a time," the All Class Play, "Tom Sawyer," began the year's activities in dramatics.

Taking place in the sitting room of Aunt Polly's home in St. Petersburg, Missouri, the comedy was enacted by 17 members of the student body. Humorously telling the problems of young teenagers, including paint troubles, the story revolves around Tom Sawyer, a mischevious all-American boy, and his friend Huckleberry Finn, the village outcast.

Lights dimmed and a hush fell over the audience as the dramatic presentation, "Cheaper by the Dozen," was presented by the Class of 1958.

Set in the 1930's, the humorous and delightful three-act play was portrayed by 18 members of the Senior Class.

understanding between parents and children. This play is dotted with bits of humor, romance and human interest; its beauty and meaning will never be forgotten.

"Girl Crazy," a western comedy set in the rustic background of today was this year's production by the Junior Class.

Twenty-nine juniors captured roles in the three act western comedy, while other members served on various committees.

Centered around a New York playboy sent west to avoid the opposite sex and bright lights, the production contained romance, humor, politics and suspence.

As part of "Girl Crazy," a square dance introduced Act II. This was the first musical number to be included in a play.

Each of the productions were directed by Miss Evelyn Baxter, French and Spanish instructor.

Gridders Battle Opposing Teams To Improve Standing

● COACHES DAVID Dunn, Charles Findley and George Fabry discuss year's schedule with Athletic Director William Yates.

Led by a nucleus of 22 seniors, the Latrobe High football squad amassed their best record since 1950 by capturing six wins, two losses and one tie.

Senior backfield men receiving monograms this year were Captain James Halferty, Thomas Mailey, Richard Harkness, Steve Seminsky, Raymond Vasinko, Sam Smith and Jim Markovich. Seniors winning letters in the line were Robert Lightcap, Mark Lenz, Val Dudzinsky, Kent Snyder, John Austraw, Bret Pohland, James Smith, Mark Reiner, Jud Beltz, Robert Walker, Donald McDowell and Donald Henry. Juniors qualifying for the award were Jim Taylor, Mike Zappone and Henry Rodgers. The lone sophomore was Ronald Vid.

On September 13, the Wildcats started their season by soundly trouncing Schenley, 40-0. They followed this victory with a 6-0 win over the Trojans of Derry-Area Joint in a hard fought game. On September 28, the Cats encountered the Penn High Indians and battled to a 7-7 stalemate.

The Wildcat gridders then suffered their

The next two games with Hurst and Jeannette were postponed to later dates because of the flu epidemic. After a two week rest, the Cats traveled to Connellsville for their fifth game of the season. The Wildcats downed the Cokers, 34-6.

Stretching their winning streak to four, the Wildcats downed their traditional rivals, the Greensburg Golden Lions, at Offet Field by the score of 13-6. Following on the heels of the Lions, Latrobe was invaded by the undefeated New Kensington squad. It was at the hands of the undefeated Kensters that the

Hurst provided the next competition, renewing an old rivalry that had been discontinued eight years ago. The Hurricanes went down 26-14 before the Wildcats. Ending their season on a high note, the Cats defeated Jeannette 27-18 on Thanksgiving Day.

Completing the 1957 season with a record of one win and one tie was the junior varsity football team.

The reserves registered a triumph over Blairsville and they played Greensburg to a draw in their only contests. In the season opener they defeated Blairsville 21-6. Scoring touchdowns for the Wildcats were Pat Crain, Tony Gebicki and Wayne Sulkey. Ron Vid kicked all three of the extra points.

In the last game of the season, the jayvees tied Greensburg 6-6. Pat Crain scored the only touchdown for Latrobe. As a result of a flu epidemic, games with Jeannette, Derry and Greensburg were cancelled.

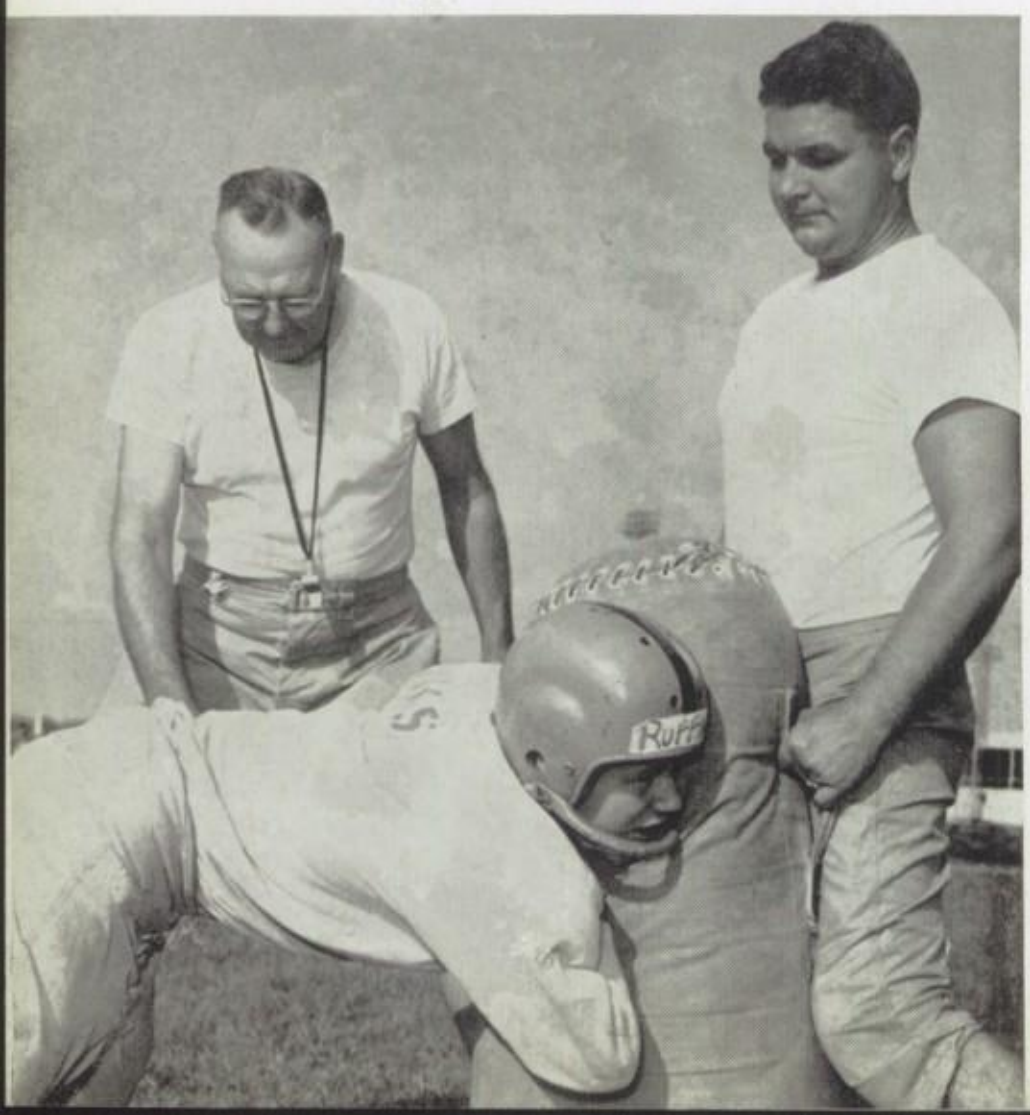
Yearlings Complete Grid Season With Good Record

● FRESHMAN FOOTBALL Coaches Ray V. Wild and William Gillispie explain fundamentals to yearlings.



The freshmen football squad ended their interrupted season with a one tie, one loss record under the tutelage of Mr. Raymond V. Wild and Mr. William Gillispie.

With a squad of 40 boys the frosh opened the season by losing to the Derry Area Frosh 6 to 0. The Trojan eleven scored in the final minute of the defensive battle by running over a fumble by the Wildkittens. With the outbreak of the flu, three games, with Ligonier, Hempfield and Greensburg were cancelled.

Resuming their schedule against the Jeannette freshmen on October 31, the yearlings played their last game of the season to a 13-13 deadlock.

Crossing into the end zone in the first quarter, Jim Ruffner, who raced off tackle, gave the Kittens a 6 to 0 lead.

Jeannette scored twice in the second quarter and led 13-6 at the half. Late in the third period, quarterback Ruffner heaved a pass to halfback Gene Rusnock for the tally. The conversion was good to give the frosh a 13-13 tie.

It is the belief of freshman football coaches that the future varsity gridders mastered skills, learned plays, gained experience and realized the necessity of team work that will put them in a good position for their coming campaign in this sport.

Emerging victorious over three area opponents, this year's cross-country team became the first harrier squad in school history to compile a perfect season record.

Coached by Richard Braun, the distance men downed New Kensington in their only home meet, 9-36. Uniontown fell second to the Cat squad by a score of 20-35, and the thinclads picked up their third win at the expense of Penn High by a similar score. Cancellation of two meets with Wilkinsburg and Connellsville came in the wake of a flu epidemic.

Latrobe's senior squad placed tenth in the WPIAL meet, while the jayvees tallied a fifth in their division.

Under the tutelage of Coach Richard Braun, the Wildcat track suad recently ended their campaign.

In initiating the season, the Cats traveled to Schoomaker Hall in participation of the annual tri-state coaches meet. Harry Johnson and Bill Hill both finished in fourth position in the low hurdles and broad jump respectively.

In mid-season several boys journeyed to Connellsville for the annual WPIAL Relays. The low hurdle team composed of Johnson, Hill, Seminsky and Hibbs captured first place, as Novak, Casey and Weiers copped first position in the pole vault.

Latrobe Team Finishes High In Section Competition

● GAME STRATEGY is discussed by Freshman Coach Ray V. Wild, Varsity Coach Ralph Forquer and Junior Varsity Ccach Richard Braun.

Compiling a successful record of 20 wins and five losses, the Latrobe High School varsity basketball squad under the tutelege of Coach Ralph Forquer barely missed a first place tie for the section championship, but captured the runnerup spot in the Westmoreland County Tourney.

The Cats started their exhibition season by downing Derry, Irwin and Ligonier before suffering their first defeat at the hands of Swissvale. They then swept through their final non-league games without a loss downing Penn Hills, Ligonier, Derry and Vandergrift.

In the opening Section 2-A encounter, the Latrobe team handed the Jeannette Jayhawks a 61-48 defeat. This was quickly followed by a decisive 70-44 victory over Connellsville. Greensburg won over the Wildcats 62-46, but the cagers regained their winning ways by defeating Hempfield 60-59, climaxed by a last second winning shot by Junior Danny Smith.

Continuing their winning ways, the hometowners delt Penn Township a loss, before scoring a one-sided triumph over the North Huntingdon Bulldogs. In the final game of the first half competition, the defending champion Uniontown Red Raiders won over Latrobe in a hard fought match, 79-71.

To open the second half, the Cats defeated Jeannette for the second time by a 70-43 count. Preping for the Greensburg encounter, Latrobe

Jayvees Compile Perfect Record; Frosh Tie For Crown

easily demolished Connellsville 69-46. In the most important win of the season, the Wildcats humbled Greensburg on their home court, 58-43. Returning home the Hempfield Spartans fell 66-39.

Penn Township and North Huntingdon were met next and defeated 65-39 and 66-49. These wins enabled the Cats to go into the final game of the season with the outside possibility of gaining the section crown. A win over Uniontown in the final would throw the Cats into a three-way deadlock with the Raiders and Greensburg. After a hard fought game, in which the score was tied many times, Uniontown came out on top, 62-58, thereby retaining the title.

In the Westmoreland County Tournament, Latrobe gained the runnerup trophy after losing to Greensburg in the final 57-48. Seven seniors and two juniors received letters. Seniors Ted Smith, Jim Bangor, Bob Lightcap, Tom Mailey, Les Campbell, Rich Novak and Sam Smith were honored, as were juniors Danny Smith and Dave McCracken.

Hardwood Action Rouses Fans; Cheers Inspire Players

JUNIOR VARSITY SQUAD — Under the tutelage of Coach Richard Braun, the Latrobe High School Junior Varsity basketball team enjoyed a successful season, remaining undefeated in 22 clashes.

In exhibition play the reserves handed Derry Area and Ligonier two setbacks each, while single wins were recorded against Irwin, Swissvale, Penn and Vandergrift. In the remainder of the schedule the varsity understudies registered double wins over Jeannette, Connellsville, Greensburg, Hempfield, Penn Joint, North Huntingdon and Uniontown.

FRESHMAN SQUAD—Compiling a season record of eight wins against two losses, the freshman cagers tied for the Section 6 championship under the direction of Coach Ray V. Wild.

The Little Kittens registered double victories over Sewickley, Penn and Jeannette, while Greensburg and Irwin split their series with the locals.

These boys gained valuable experience for their coming years on the hardwood at Latrobe High. Thirteen freshmen were on the squad.

● ATTEMPTING TO gain the ball are Ted Smith, Danny Smith, Jim Bangor and Bob Lightcap.

● CARING FOR players uniforms is one of many tasks performed by Managers Jacobs, Coulter and Keim.

WRESTLING

Keeping intact their unbeaten status, Coach Creed Westfall's wrestlers pushed on to their 43rd consecutive victory this year, posting a season record of 12-0.

Bowing to the Wildcats were Irwin, Wilkensburg, Hempfield, North Huntingdon, Jeannette, Munhall, Uniontown and Greensburg, the latter twice. Indiana provided the strongest opposition to the locals. The outcome of the match was decided by the final bout of the evening. A scant five points separated the two teams, the tally being 25-20. The matmen also successfully defended their own two-year County title, tallying 58 points to capture their fourth victory in the five-year-old classic. Successful in their individual bids for county titles were Lionel Frowen, Richard Warren, Richard Martin, John Kalokerinos, Bret Pohland and Ronald Noel.

Five local grapplers led the team to their third straight Section II, WPIAL title, as Dick Warren, Richard Martin, John Kalokerinos, Bret Pohland and Ed Pohland copped individual crowns. From this competition, the quintet traveled to Washington, Pa., to participate in the District 7 matches. With Richard Martin, John Kalokerinos and Ed Pohland entering the final session, Kalokerinos emerged 133 pound champion. The latter advanced to the state finals and emerged as runner-up.

Captained by Richard Martin, this year's squad was composed of 12 varsity and 22 junior varsity members. Fred Warren and Paul Toth aided head manager Ray Finley in caring for sports equipment. For their outstanding achievements, the team received pictorial recognition in the Pittsburgh Post Gazette and the P'Athlete.

TENNIS

Local Tennis Squad Compiles Impressive Record On Courts

Following tradition, the Latrobe Wildcats fielded a well-balanced tennis squad under the direction of their new coach, Mr. Earl Karasack. He replaced Mr. George Rise who retired after 21 years of coaching.

Playing number one position for the Cats was Captain Tom Senior, who was backed by the able play of Senior Roger Harvey. Juniors Steve Berberich, Dave Berkmyre and Sophomore Tim Schwartz made-up the balance of the traveling team.

Rounding out this year's edition were Dave Tranquilla, George Coulter, Wayne Laughner, Leon Klingensmith, Richard Lanik, Chester Joworski, Gary Mitchell and Charles Dillon.

GOLF

Linksmen Show Improvement As Golf Season Progresses

Although hampered by a relatively inexperienced squad, Coach Robert Cook's golf team proved itself capable on the links during the past season.

The fine play and competitive spirit of the club was an indication of the desire and ability of the Wildcat golfers. Tom Mailey, senior and captain led a well-rounded squad composed of Senior Tom Wahlrobe and Sophomores Tom Roberts, Boyd Osborne, Scott Steele and John Morley. The only freshman was Joe Doherty.

The squad's inexperience was exhibited by the lack of juniors and seniors. Although there were only two of them, the seniors provided the leadership the team needed.

First Row: Berberich, Harvey, Senior, Campbell.

Second Row: Berkmyre, Laughner, Klingensmith, Coulter.

First Row: Osborne, Morley, Doherty.

Second Row: Steele, Mailey, Wahlrcbe, Roberts, Walker.

SENIOR CHAMPIONS

First Row: Mattioli, Maloney, Morelli, Miller, Malik.

Second Row: Marks, E., Leone, Macey, Marks, D., McKay.

FRESHMAN SCHOOL CHAMPIONS

First Row: Kosker, Klapchar, Keefe, Johnston.

Second Row: Kattan, Kozak, Johnson, Kloock.

In Bid For Basketball Crown

To the cries of "1—2—3—4," "Stretch high, higher!" all students at Latrobe High School attend their weekly gym class.

Under the leadership of Mr. Richard Braun, boys pursue a varied schedule. In addition to running laps and playing basketball, they attempt to break gym class records of sit-ups and push-ups. Feats of skill such as rope climbing are also a part of the curricula.

In girls' gym class, the students practice for home room basketball games and receive pointers from their instructor, Mrs. Mary Alice Graham. During the last quarter, the girls must show their co-ordination by performing difficult exercises.

All home rooms are eligible to compete in the girls' intramural basketball tournament. Each team was composed of six members, three forwards and three guards.

Freshman home room 204 emerged victorious by defeating senior room 105. Comprising the team were Klapchar, Keefe, Kattan, Johnston, J., Johnson, H., Kloock, Kozak and Kosker.

In the semi-finals, sophomore home room 18 was defeated by the freshman finalists and junior room 119 lost to the seniors.

- RUNNING AROUND the gymnasium balcony conditions track aspirants during late winter months.

- CHINING EXERCISES strengthen the muscles and provide incentive to set a school record.

MEMORIES

● SIGNING LATROBEANS climaxes and brings to a close each school year.

As the last footsteps re-echo through the corridors and another school year is brought to a close, the clock in the front hall goes on as usual, ticking away precious moments of time.

If this mechanism could be turned back to the last September, one could see anxious students walking to and from school, relating new and challenging studies.

As autumn leaves grace the sidwalks, the school athletic program is soon under way, marked by the first kick-off of football season. Fast approaching winter time means wrestling matches, basketball games, Student Council dances, plays, club meetings and mid-term exams.

Then forensic season is introduced as spring begins her annual appearance. Baccalaureate and Commencement, with final exams, mark the year's highlights as the Class of '58 marches from the school for the last time.

Now, once again, we turn to the present as happy seniors go out into the wide, wide adventurous world.

Time Beckons Auspiciously...

To all who helped in any way with the completion of the 1958 Latrobean, the editor extends heartfelt thanks.

Many hours of planning and work have been put into this book by the staff members. It is our sole objective and sincerest wish that in future years each page will help you to relive some happy event. All our endeavors will then have been well-rewarded.

Atoms are "old hats" these days!

Scientists today are turning their sights upward to the stars. They say man is poised on the threshold of space. This means new worlds of exploration and discovery are about to unfold.

With new, seemingly limitless horizons ahead, you new graduates and students may very well play key roles. The need will be for strong, healthy men and women, trained in Science and Engineering.

We at Vanadium-Alloys pledge to continue to the best of our ability, the production of the tool and high alloy steels needed to lick the problems of space flight. Right now our Metallurgical Engineers are working closely with the rocket and missile industries to perfect new steel alloys to meet the rugged demands of high speed travel.

"We must all look to the future because we will all spend the rest of our lives there."
